

Important Information Regarding Notice of Pregnancy Form Submission

As part of Home State Health's commitment to care management a Notice of Pregnancy (NOP) requirement was implemented January 1, 2018. An NOP form must be on file **prior to reimbursement of obstetrical prenatal claims (E&M codes with/without TH modifier and/or obstetrical diagnosis code)**. Denials are reflected on the remittance advice as "EXnn Deny-No Notice of Pregnancy on File".

The NOP form can be found on our Website at www.HomeStateHealth.com. Please complete fully and fax to 1-866-681-5125 or submit by logging in to the secure portal at www.HomeStateHealth.com and completing the **NOP form under "Assessments" on the member's record**.

Please tell us about your patient's health

General Member Notation
To provide additional information [Fill Out Now!]

Notification of Pregnancy
Please let us know if your patient is pregnant to help you and your patient achieve a healthy pregnancy outcome. [Fill Out Now!]

Previous Assessments

You have not told us about anything yet. Please fill out a form.

The NOP form **cannot** be submitted as an attachment to a claim through the secure portal. The form will not be recognized and therefore the claim will deny.

Submission of the NOP allows Home State's care management team to coordinate the member's care and identify any possible high risk pregnancies. Our obstetric care management staff wants to complement and support the care you provide to Home State Health members in your office. If you would like to refer your member to our OB care management team please call us at 855-694-4663.
